KURHAUS TRIFELS

The Network Science and Innovation Alliance Kaiserslautern e.V. organizes in 2018 in cooperation with the University of Kaiserslautern (TUK) from **24th of September** till **28th of September** the **Summer School Trifels** for doctoral students and postdocs at the Kurhaus Trifels.

During the week, the participants from all scientific disciplines are invited to take part in workshops about challenges, chances and the implementations of digital transformation in the real world. In the Workshops, the participants will have the chance to discuss the recent topics with the field experts from research, industry and politics.

On **Wednesday the 26th of September**, the public open panel discussion (**Trifelser Gespräch**) will take place under the title „*digital transformation and its effect on the world of industry*“.

## **PARTICIPATION**

- **Doctoral students and postdocs** from the following academical fields: Computer Science, Economics, Electrical and Computer Engineering, Mathematics, Mechanical and Process Engineering
- The participation is free of charge (max. 20 doctoral students and postdocs), catering and accommodation are included
- At the end of the week, the participants will receive a participation certificate at the **Summer School Trifels 2018**
